The contemporary, 292-room Sheraton Fiji Resort has a light, airy ambience and offers uncompromising luxury and service surrounded by 25 acres of tropical gardens. The Resort boasts a superb beachfront location with spectacular views of the Pacific and nearby islands. Seven themed courtyards scattered throughout the extensive grounds offer rooms on ground and first floor levels. Refurbished in January 2000, the spacious rooms feature a stylish and bright decor.

### SHERATON DENARAU VILLAS

In a setting of tranquil, ornamental lagoons, a stunning "horizon" style swimming pool, and South Pacific botanical splendour, are 82 two and three bedroom Villas. An innovative "twin key" design allows each Villa to be rented out as a single Villa or as separate rooms, with one forming an executive Suite and the other a regular hotel room. With complete self-catering facilities, the Suites & Villas are the ideal choice for premium accommodation or extended wedding parties.

### SHERATON ROYAL DENARAU

This resort is a unique experience of the authentic culture of Fiji. The high vaulted lobby is reminiscent of a traditional Fijian temple. This sense of being at one with the island's lifestyle and culture is further enhanced throughout the hotel with traditional tapestries, artefacts, priceless ancestral carvings and lush tropical gardens filled with exotic flowers and native birds. The 274 spacious rooms are furnished in local style with traditional tapa-cloth bed canopies and rattan furniture.

## Mandara Spa

Allow us to pamper and prepare you for your perfect day, starting with a beautifying Vanilla & Frangipani facial, continuing with a Deluxe Island manicure and pedicure. Complete with a make-up application and shampoo and style. You deserve to feel this good.....Mandara Style!
